
Earn 2 Graduate Credits at Focus on Freshmen 2017

Complete **ED 710** through Credit Overlay

Successful Strategies for Focus on Freshmen

Course Number: **Reference # 11712 ED710**

The goal of the course is to provide techniques, statistics, and concepts that allow the educator to build a curriculum and class in their own school community that helps students learn a life and career planning process that can be used over and over throughout a lifetime. In our complex, ever-changing world, solid planning skills empower students and help them expand their goals as they move through school, into post-secondary education/training, and transition to the world of work.

Credit Hours: 2 Graduate Credits Prerequisite: Graduate Standing
