Final Project – Success 101

Objective: This is an opportunity to have fun, while displaying in a video to the next group of freshman, what this class was about, and what your ten year plan looks like. This is your chance to summarize the year, and leave advice to the future of DHS.

Project Requirements: (check off as you go)

- 1) at least one prop (something to show)
- 2) Explain the cost of the life you want (house, kids, wants)
- 3) Briefly explain all 3 career options (how much you make, training)
- 4) Pick # 1 career choice and explain how you are going to get there!
- 5) Written script – write out word for word what you will say
- 6) Talk about the 3 things you liked best about the class
- 7) Talk about one thing you could have done better
- 8) Talk about your best experience as a freshman
- 9) End the video with advice to next years students on how to be a successful student at DHSHS, and at life.
- 10) Save video to Curriculum drive, Save video to your Home Drive

Instructions:

You will need to work with a partner. You can discuss together the requirements needed to complete the project. The two of you will work on the scripts together on paper first, making sure to include all the written requirements listed above. Once your scripts are approved you will be given a flip video camera to record on the days designated. Then you will EACH add the videos to your online drive. You can use the computers to edit the videos and get them ready for viewing. You can add music, or anything else you think will make the video entertaining. Finally the video will be shown to your class and graded by your peers. Some will be showed next year too (so take pride in your work).
